Definition of Game Farming (AS 16.05.940(15)) "game farming" means the business of propagating, breeding, raising, or producing game in captivity for the purpose of marketing the game or their products, and "captivity" means having the game under positive control, as in a pen or an area of land or water that is completely enclosed by a generally escape-proof barrier. If you are applying for an elk farming license, you will need to go through Department of Natural Resources.

Definition of Fur Dealing (AS 16.05.940(17)) "fur dealing" means engaging in the business of buying, selling, or trading in animal skins, but does not include the sale of animal skins by a trapper or hunter who has legally taken the animal, or the purchase of animal skins by a person, other than a fur dealer, for the person's own use.

Definition of Taxidermy (AS 16.05.940(34)) "taxidermy" means tanning, mounting, processing, or other treatment or preparation of fish or game, or any part of fish or game, as a trophy, for monetary gain, including the receiving of the fish or game or parts of fish or game for such purposes.

Definition of Resident (AS 16.05. 415) "resident" means,  a person (including an alien) who is physically present in Alaska with the intent to remain indefinitely and make a home here, has maintained that person's domicile in Alaska for the 12 consecutive months immediately preceding this application for a license, and is not claiming residency or obtaining benefits under a claim of residency in another state, territory, or country;  a member of the military service or U.S. Coast Guard who has been stationed in Alaska for the 12 consecutive months immediately preceding this application for a license; or  a dependent of a resident member of the military service or U.S. Coast Guard who has lived in Alaska for the 12 consecutive months immediately preceding this application for a license. A person who does not otherwise qualify as a resident may not qualify by virtue of an interest in an Alaska business.
